Our Feedback

Retrieval accuracy, user-friendly;

Up to date and modern functions;

Heartfelt job;

Price acceptable. If it can be lower, that would be better.
Our suggestion: Enhance the localization of the database
我們的建議：增強數據庫的地域化特色

Our Publications
On Going...

- Collecting/reproduction of the old maps in Europe, Japan/Korea and Southeast Asia, etc.
- Conferences
- Exhibitions
- On-growing database
- Publications of books, scientific research, etc.
In a near future...

- Establish more protocols with other international Libraries, Archives and Documentation centers;
- Keep the an on-going communication and feedback with those institutions;
- Improve by exchanging knowledge with researchers, institutions and other collectivities;
- Become a unique and an always progressive database that will be a crucial tool in studies and research to users all over the world.
